Last week, we looked at the question: **Who's Child are You?** We saw the Historical Background, the Divine Meaning, and then looked at a Personal Application

to **Galatians 4:21-31**. We learned that we are a child of the free woman and co-heirs with Christ.

Today, we will look at the idea of recognizing your freedom in Christ. If you only get one thing from the message today, I pray that it is this: **Christ didn't set us free to do what we want, He set us free from doing what we want!**

Our message for today is titled: "**Recognize Your Freedom in Christ**" Our points will be:

- 1 - What is Freedom?
- 2 - What Really Matters, Our Works or His?
- 3 - How are We so Like Bread?
- 4 - So, What is Freedom?

Because He Calls,
Pastor Miles

Recognize Your Freedom in Christ Galatians 5:1-15

- What is Paul saying in Galatians 5:1?

- Why is it easy to try to add our works to the work of Jesus?

- What happens to the work of Christ if we seek to add anything to it?

- If we are busy getting people to look at us, Who are they not looking at? Explain.

- Why is it good that we have been set free from doing what we want to do?
