Last week, we looked at **Unity in the Church, Is this Possible?** We know that Jesus said that “*with God, all things are possible*” in **Matthew 19:26**, but often, we try to

do things ourselves. When all of the church submits to Christ as their Head, there will be **Unity**.

Today, we will deal with a subject that seems on the surface to be diametrically opposed to **Unity**. I know that today’s message is an uncomfortable and potentially unwanted one. Even though all of us want others to be held accountable for their actions, not many want to be held accountable themselves. Take time this week to ponder **1 Corinthians 5:1-7**.

Our message for today is titled: “**Accountability to Build Up, Not Tear Down**” Our points will be:

- 1 - Even Pillars Need Accountability
- 2 - You Decisions Have an Effect on Others
- 3 - Don’t Have a “Holier Than Thou” Attitude
- 4 - Christ Does Not Promote Sin
- 5 - Live the New Life
