

# THE REVELATION OF JESUS CHRIST

## February 26, 2023

Two weeks ago, we read about John's second meeting with the Lord. He first heard the Lord, and then he turned to see the Lord. John was terrified, but Jesus comforted and

instructed him before revealing what we are studying this year: The Revelation of Jesus Christ.

For the next seven weeks, we will see what Jesus told John to write to the seven churches. If we look closely, we will see attributes of each of these churches in the present-day church. Today, we will look at **Revelation 2:1-7** as we read the message to The Church of Ephesus.

Our message is titled: "**The Church of Ephesus**" Our points will be:

- 1 - Jesus Knows Our Deeds
- 2 - Jesus Knows Our Heart
- 3 - Jesus Desires Our Fellowship

**Because He Calls,**
