

## THE REVELATION OF JESUS CHRIST

June 6, 2023

Over the last few weeks, we looked at two different groups of people that will gather at the throne of God. The first of these was the 144,000 Jewish male virgins that

will be sealed on their foreheads. They will represent every tribe. We learned that the church does not replace the Jewish people.

The second group of people we looked at was The Great Multitude. This uncountable number of people will represent “*every nation, tribe, people, and language.*” I believe that both Jews and Gentiles will be in this group of people.

Today, we transition back to the Seals for the opening of the Seventh Seal. As the Lamb of God opens this Seventh Seal, it will usher in the Seven Trumpets and the Seven Bowls. Our message is from **Revelation 8:1-5** and is titled: “**The Seventh Seal**” Our points will be:

- 1 - Silence at the Throne
- 2 - Worship Continues
- 3 - The Silence Broken
