

THE REVELATION OF JESUS CHRIST

June 11, 2023

Last week, we took a look at Jesus opening the Seventh Seal. When He did so, it caused silence at the throne. Between the anxiousness to see what was in the scroll and the

sock of the destruction, there were about 30 minutes of silence as those around the throne took it in.

Before the silence was broken, we saw that the worship around the throne continued. God created everything so that He would be worshipped. He will be worshipped because He is worthy of our worship.

Today, we will take a look at the first Six Trumpet judgments. We will see pain and destruction that far exceeds what we saw in the first Six Seal judgments. Don't miss the final point of our message today. It is key for us to remember that God is Omniscient. He doesn't make mistakes. Our message is from **Revelation 8:6 - 9:21** and is titled: "**The Trumpets**" Our points will be:

- 1 - 1st Trumpet: Hail and Fire Mixed with Blood
- 2 - 2nd Trumpet: Huge Mountain Ablaze Thrown into the Sea
- 3 - 3rd Trumpet: Wormwood
- 4 - 4th Trumpet: A Third of the Sun, Moon, and Stars Struck
- 5 - 5th Trumpet: Demonic Locusts (1st Woe)
- 6 - 6th Trumpet: Release of the Four Angels (2nd Woe)
- 7 - Lost People Love Their Lostness

Because He Calls,
