THE REVELATION OF
JESUS CHRIST

In our last message in this sermon series, we looked at the first 14 verses of Revelation 11. The focus was on “The Two Witnesses.”

In our first point of that message, as we looked at “The Measuring of the Temple,” I mentioned how dangerous reading yourself into Scripture can be.

Some feel unimportant when they find out that this section of the Scripture doesn't include the Church. My friend, the Church is so important to God that He raptures us out before the Tribulation begins.

Today, we will take a look at a section of Scripture called **The Seventh Trumpet**. The sounding of the Seventh Trumpet ushers in the Seven Bowl or Vial judgments that we will look at in a few weeks. Many Bible scholars call this “The Earth's Worst Days.” Our message is from **Revelation 11:15-19**. Our points will be:

- 1 - The Stark Reality of God's Plan
- 2 - The Worship Around the Throne Continues
- 3 - The Guarantee of God's Faithfulness
