

THE REVELATION OF JESUS CHRIST

August 13, 2023

Last week, we read about the sounding of the Seventh Trumpet, but we won't see the effects of this Trumpet until Chapters 15-18. Chapters 12-14 will give us another

perspective of Chapters 6-11.

The sounding of the Seventh Trumpet will show "The Stark Reality of God's Plan." Nothing can change what God has planned because God is an unchanging God, and we are guaranteed of His faithfulness. The worship around His throne will continue because He is worthy of worship.

Today, we will look at a section of Scripture called **The Woman and the Dragon**. In our first point, we will talk about the Nativity. I have prayed that you wouldn't check out when we talk about the dragon who was ready to devour the Child at birth. When we study Scripture, we understand that things are going on around us that we struggle to comprehend. Things are going on around us that would scare us stiff. Our message is from **Revelation 12:1-17**. Our points will be:

- 1 - A Contrasting View of the Nativity
- 2 - A Heavenly War
- 3 - Satan's Wrath on Earth

Because He Calls,
