THE REVELATION OF
JESUS CHRIST

Two weeks ago, we saw the contrast between **Chapter 13** as we looked at the darkness with the Dragon (Satan), and the two beasts (Anti-Christ and the final False Prophet)

and the beginning of **Chapter 14** as we looked at the light with the 144,000 standing with Jesus on Mount Zion, along with the angels bringing messages.

Today, we come to a much-debated section of Scripture yet again. There are three main arguments about the end of **Revelation 14**:

1 - Verses 14-16 describe the Rapture and verses 17-20 describe the battle of Armageddon

2 - Verses 14-16 describe the separating of the Tares and the Wheat and verses 17-20 describe the battle of Armageddon

3 - Both of the harvests described here are the same event

Our message title is "The Harvest of the Earth," and it comes from **Revelation 14:14-20**. Our points will be:

1 - The Grain Harvest

2 - The Grape Harvest
