

THE REVELATION OF JESUS CHRIST

October 29, 2023

Last week, we looked at “The Thousand-Year Reign of Christ.” It is comforting to know that Satan will be locked away in the Abyss during this time. Jesus will reign from

David’s throne in Jerusalem, and it will be a time of peace, joy, and comfort.

This week, we will take a look at the Judgment. We will see Satan thrown into the lake of fire where he will be tormented forever. We will also see Christ and all of His glory as He sits on the Great White Throne judging the dead. Don’t miss what this passage of Scripture teaches. Hallelujah! Praise the Lord for He is worthy of our praise!

Our message title is “The Judgment,” and it comes from **Revelation 20:7-15**. Our points will be:

- 1 - Satan and his Doom
- 2 - Jesus and His Glory
- 3 - The Great White Throne
