Last week, we opened our new sermon series with a sermon titled: A Godly Leader Prays. As we made our way through the first chapter of the Book of Nehemiah, we saw

a great model of prayer.

After hearing about the condition of the wall in Jerusalem and how God's people were being treated, Nehemiah fasted, mourned, and prayed. His prayer is beautiful. He didn't begin by asking God for something; he started by adoring God. Nehemiah then confessed his sin before moving on to presenting his requests. May we model this methodology when we pray.

Today, we will see Nehemiah taking action after his time of prayer. Pay close attention to his boldness as he acts, and don't miss that he continually gives God honor and praise.

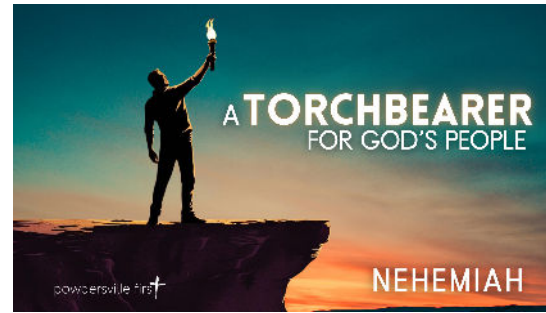

The title of our message today is: **A Godly Leader Takes Action**, and our points will be:

- 1 - A Godly Leader Will Rise to the Occasion
- 2 - A Godly Leader Will Boldly Seek God's Will
- 3 - A Godly Leader Will Assess the Situation
- 4 - A Godly Leader Will Share the Truth
- 5 - A Godly Leader Will Delegate Responsibility

Because He Calls,
Pastor Miles
