Last week, we looked at the idea of focusing on our “Focus” as we answered the question: What is Focus? We then asked ourselves: What are you focused on, and Why

is your focus there? as we looked at our Verse of the Year for 2025: **Philippians 4:8**. We then listened to a song titled: Clear the Stage as we fleshed out the idea of how idols sometimes rob our focus.

Today, we will finish off our series as we answer the question: What is Kingdom Focus? The idea of Kingdom Focus is somewhat difficult to grasp. This is because it calls for a complete change of thinking.

Having a Kingdom Focus is radically different than having a “worldly” or even a “religious” focus. Many things that this old world values the most are considered worthless in the Kingdom of God. Take gold as an example. So much focus has been placed on this element over the years, and wars have been fought over what **Revelation 21:21** says will be pavement in heaven.

Our points for today’s message will be:

- 1 - What is Kingdom Focus?
- 2 - What Does Kingdom Focus Look Like?
- 3 - Where Does Having a Kingdom Focus Take You?

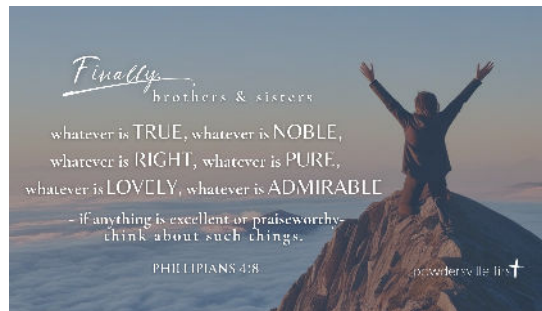

**Because He Calls,**  
Pastor Miles

2025 Verse of the Year  
(Philippians 4:8)

Supporting Texts - John 17:17, 1 John 3:3, Matthew 6:25-34,  
Philippians 4:6-7, 1 Corinthians 11:1
