I hope that you have given serious thought to the message last week to “**Invest in Your Church.**” Through Christ, we surely have the ability to do so with our time, our talents,

and our treasures.

Today, we begin a short sermon series through the Book of 2 Peter. Peter wrote this Letter to believers, probably mostly Gentiles, around 67 A.D. The Knowledge of our Lord and Savior Jesus Christ is spoken of six times in these three chapters. Peter desired that followers of Christ continually Grow in their Knowledge of the One Who saved them.

Peter also deals with false teachers and the dangers that they present in this Letter. He even shows that there are false teachers within the church. In Chapter 2, he says to be on guard from “*destructive heresies*” presented by “*false prophets*.” Throughout 2 Peter, he stresses sanctification.

Our message title for today is: **Do You Really Believe What You Say You Believe?** Our points for today’s message will be:

- 1 - Truth, What is the Truth?
- 2 - A Correct Response to the Truth
- 3 - The Results of Our Response

Because He Calls,
Pastor Miles
