Last week, we finished up our time in the Beatitudes. These eight attributes are not intended to draw attention to ourselves. Christ-followers should exude them so that

those around us will recognize the source of our difference. We are different because God, through the blood of Christ, has changed us.

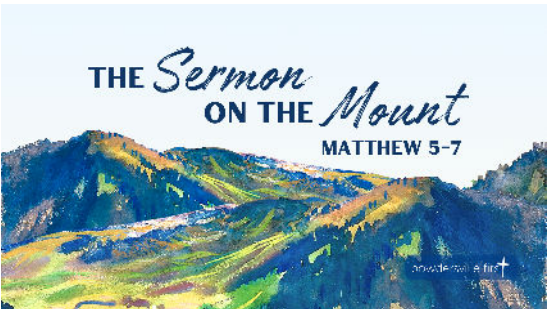

Today, we move into a section of Scripture that has been preached countless times. From object lessons in children's Sunday School classes to deep dives with seminary students, today's Text is a popular One. I hope that we will not allow our familiarity with this Passage to keep us from Growing in Our Knowledge of Christ.

Our message title for today is: **Salt and Light**. Our points for today's message will be:
1 - You Are the Salt of the Earth
2 - You Are the Light of the World
3 - Will You Shroud or Shine

Because He Calls,
Pastor Miles

Salt and Light
