Last week, we kicked off our new sermon series in the Book of Genesis with a sermon titled: The Creator. As we looked at the first two verses of God's Word, we

focused on these two things:

- 1 - In the Beginning, and
- 2 - God Created

We learned that God's creation had a beginning, and He is the One Who initiated that beginning. We also learned that God is eternal. The answer to the often asked question, "When was God created?" is, He had no beginning, and He has no end.

As we make our way through this series, we would do well to remember that even though we are beneficiaries of creation, God created everything to magnify His glory. Creation wasn't for us; it is for God.

Today, we move from "The Creator" to a sermon titled: The Creation. Pastor Rick will share how in this act of creation, God is setting the stage for everything that follows. The trajectory of redemptive history is established here in Genesis 1, and in order to fully understand the story of the Bible, we must understand the introduction.

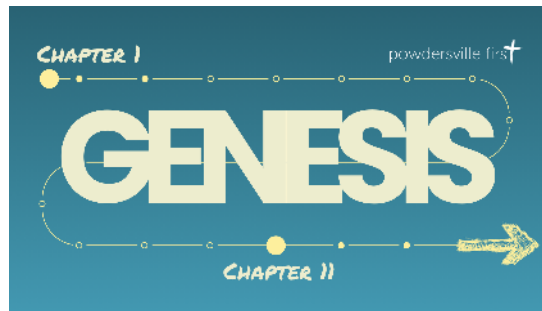

Our points for today's message will be:

- 1 -He Creates Light in the Darkness
- 2 - He Gives Shape to What is Shapeless
- 3 - He Fills What is Empty

Because He Calls,
Pastor Miles

The Creation
(Genesis 1:3-25)
