Last week, our message was titled: **Paradise Lost**. As we read through **Genesis 3**, we saw the sad story of Adam and Eve choosing sin over their relationship with God.

This choice has affected every human being since. We call this Original Sin, and each of us exudes this trait from birth.

Because of the heaviness of that statement, I feel the need to say, "Praise the Lord for sending His Son to rescue us!"

Today, we will look at a message titled: **Life Under Sin**. In the first half of **Genesis 4**, we will see the first murder, which causes the first curse on a human. As you read through **Genesis 4:1-14**, don't miss the envy, the murder, the lies, and the restless suffering that you see.

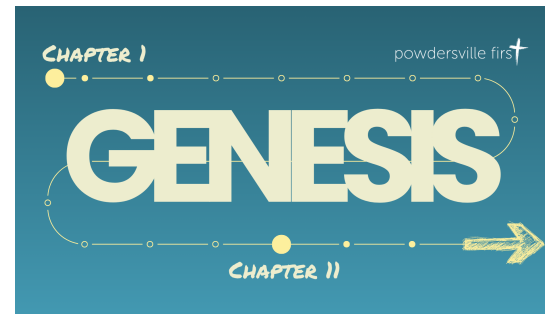

Our points for today's message will be:

- 1 - Unfavorable Offering
- 2 - Sin is Crouching at Your Door
- 3 - Like Father, Like Son
- 4 - Consequences are Real
- 5 - Hopelessness

Because He Calls,
Pastor Miles
