Last week, we looked at the Tower of Babel. It is easy to see pride in others, but we rarely recognize it in our own lives. In **Genesis 11:1-9**, the people's pride

reached its apex, as seen in **Genesis 11:4** *Then they said, "Come, let us build ourselves a city, with a tower that reaches to the heavens, so that we may make a name for ourselves and not be scattered over the face of the whole earth."*

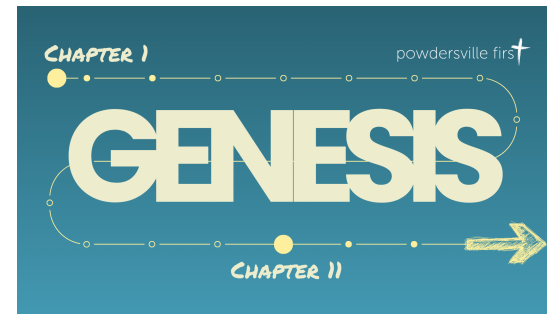

The people refused to obey God, so He intervened. **Genesis 11:8** *So the Lord scattered them from there over all the earth, and they stopped building the city.* May we put our pride aside and worship King Jesus.

Today, we will finish Act I of our **Genesis** sermon series. This is the twentieth message and will cover the remainder of **Chapter 11**. Today's message will be called **The Path to Abram**.
